
Saskatoon Sr. Women's Basketball League

Vaccination Policy

As of October 1, 2021 the Saskatoon Sr. Women's Basketball League (SRWBL) will be adopting the following policy in regards to the Covid-19 pandemic.

All players, coaches, officials, minor officials and spectators must be fully vaccinated in order to attend or participate in the 2021-2022 basketball season.

1. The team representative must verify that every member on their roster has been fully vaccinated before that player can be placed on the team's roster. It will be the sole responsibility of the team representative to complete the verification and add the player's names to the team roster on the SRWBL website. Player's names can be added during the season as per the SRWBL constitution.
2. All floor officials will need to provide proof of being fully vaccinated to their governing body and that governing body will only be able to assign officials that meet the requirements of this policy.
3. All minor officials will be required to provide proof of being fully vaccinated to the league administrator.
4. All team followers/spectators must show proof of being fully vaccinated to the team representative that they are following, prior to entering the facility. Those under the age of 12 will be exempt from this policy all others must have shown proof of vaccination to the team representative prior to arriving on site. The team rep will need to verify with the minor officials that their spectators/followers have shown proof of vaccination.
5. Any player found to have violated this policy will be removed from the league for the remainder of the season and/or indefinitely until a review can be completed by the league administrators. No refunds provided.
6. If a team representative is found to have violated this policy the team will be removed from the league for the remainder of the season and/or indefinitely until a review can be completed by the league administrators. No refunds provided.

Fully vaccinated means

i. two (2) weeks after either:

A. a person who has received the Single Dose of a single course COVID-19 Vaccination; or

B. a person who has received the Second Dose of a dual course COVID-19 Vaccination; or

ii. where multiple doses of a COVID-19 multiple-dose vaccination or series of vaccination doses approved for use in Canada are required, a person who has received the most advanced vaccination dose that the individual is eligible for

Proof of Vaccination shall be:

1. a wallet card received at the time of immunization;
2. a printed copy of a MySaskHealthRecord vaccine certificate, with or without a QR code;
3. a screenshot of a MySaskHealthRecord vaccine certificate, with or without a QR code; or
4. a COVID-19 vaccine printout from Saskatchewan Health Authority, Public Health;
5. a QR code/MySaskHealthRecord vaccine certificate uploaded to SK Vax Wallet
6. a type of proof, whether electronic or in writing, that is issued: a.by the government of Canada or a province or territory of Canada, or b.by any other government of another jurisdiction.

This policy may be amended throughout the course of the season dependent upon provincial and municipal regulations.
